PRICING

Each class is brought to you using Webex. Webex is powerful conferencing software that is accessible by anyone with an Internet connection. Webex allows us to provide you with an interactive learning experience at your desktop.

Each training module is priced at \$250.00, and up to three people may attend each module. You can receive a 10% discount when purchasing 3 or more modules at once. Private sessions, with one-on-one instruction, are available.

We accept Visa, MasterCard, and American Express.
