

From Greater Pittsburgh Airport:

Take Rt. 60 South from Airport. Rt. 60 eventually becomes Rt. 22-30. Keep following signs to Rt. 279 and Pittsburgh. Get into the left lane before going through the Ft. Pitt Tunnel and stay in the left lane through the tunnel and onto the Ft. Pitt Bridge. Follow signs to 279 north as you exit the bridge on the left. Go onto the Ft. Duquesne Bridge and immediately move to the right lane. From the far right lane on Ft. Duquesne Bridge, exit at Rt. 279 North. Take the next exit on the right, which will be Rt. 28 North. Keep following signs marked Rt. 28 north as this road has many exits on both sides and can be confusing. Continue North for approximately 8 miles. When you come to a "fork" in the road marked "Blawnox" to the right and "Kittaning, Route 28" to the left; keep left and prepare to exit at Exit 10 RIDC Drive (approx. 3/4 mile).

From the North on I-79:

Exit at the Route 19 interchange. Proceed South on Route 19 to the PA Turnpike Interchange #28 (Perry Highway). Go east on the PA Turnpike to Exit #48 (Allegheny Valley). Take the Allegheny Valley Expressway South to the RIDC Drive Exit. (See Turnpike East-West directions to find the Allegheny Valley Expressway).

From the South on I-79:

Leave I-79 at the Parkway West (Route 22/30 /I-279). Proceed toward downtown Pittsburgh, same as if coming from airport.

From the East or West on the PA Turnpike:

Leave the Turnpike at Exit #48 (Allegheny Valley). Take old Route 28 South for about a mile. You will pass a Holiday Inn, McDonalds restaurant and finally an Ames on your right. At the intersection with Route 910, turn right at the red light. This will take you directly to Allegheny Valley Expressway- Route 28 South. Proceed south and watch for RIDC Drive Exit.

If your approach on the expressway is from the North:

At the foot of the exit ramp turn right onto Gamma Drive. Proceed to Zeta Drive, turn right, Aerotech is on the left.

If your approach on the expressway is from the South:

At the foot of the exit ramp turn left. Pass beneath the overpass and proceed straight ahead of Gamma Drive to Zeta Drive. Turn right onto Zeta drive, Aerotech is the first building on the left.
