

REACH Compliance Statement

February 11, 2022

This statement is regarding the Registration, Evaluation, Authorization, and Restriction of Chemicals (REACH) EU directive 1907/2006/EC, including the SVHC (Substance of Very High Concern) list dated January 17, 2022.

Aerotech’s products are “articles” as defined in REACH Article 3(3). Based on the material content certifications provided by Aerotech’s suppliers, Aerotech’s products do not contain REACH SVHC materials in excess of 0.1% by weight with the following exception:

- 1) The following SVHC is present in the range of 2-6.4% by weight in wire jacket material used to make some cable and electromechanical assemblies. This material is not considered hazardous by the manufacturer (W.L. Gore & Associates, Inc.) under normal use conditions. Please contact Aerotech for more information regarding specific products that contain this SVHC.
